

Desert Cross Financial Report September, 2016

Financial Review

The available cash in total General Fund All Mission & Service accounts at 8/31/16 is (84,310.67) and (the Unrestricted General Fund (101,059.56) These numbers for August reflect that there were 2 paydays in July, 2016, and 2 accounts payable check runs in August, 2016. The expenses were 8,738.15 higher than revenues for August

Total general fund spending for all of the departments is at 62% which a little below for the budget. With August being the 8th month of the year, the percentage of the total budget used should run 66.7% it should also be noted Youth still higher than budget to month% with summer activities Campfirmation and Beach Camp, the expenses are showing below budget, but the revenue for the activities are also below budget. Parish Nurse shows 33.3% showing some activity for this department at mid-year, also watches over Stephen Ministries which shows no activity as of 8/31/16., Women's Group which is new has revenue of 58.00 and expenses at 90.76 for summer activities, and MOPs(Mothers of Preschoolers) an outside activity not reported in the Nurse budget, but would show as a negative % on the chart, due to no budget set for MOPS s/b total pass-thru self-supporting; with the Nurse just over seeing project/activity. Payroll records are just below the 63.9% mark for the expected total year to date, Administration as 88.6% having used almost double the entire computer budget for the year but other expenses are running where expected for the year.

Giving Units are now pretty much dead even, mostly due to programming fees I believe.
